January 15, 2021

Dear District Family,

We are happy to announce the start of the Newburgh Enlarged City School District's 2020-2021 United Way Campaign. Our mantra this year is Shoulder Up! Now more than ever many of our scholars and families and members of our school community need our support in these trying and uncertain times.

Our fundraising goal for this year is \$10,000! In the past, paper checks and cash donations were accepted, however, due to the pandemic, the campaign will be conducted electronically this year through a website constructed by the United Way specifically for the Newburgh Enlarged City School District. The website will be available on each school web page as well as the homepage of the NECSD by January 29, 2021.

The Newburgh Teachers' Association, the Newburgh Supervisors and Administrators Association, and the Civil Service Employees Association have supported the United Way Campaign for years and their continued support is always appreciated!

It is important to note, all pledges and contributions to the United Way Community Care Fund will stay regionally in provision of services and resources. Contributions can also be given to a designated 501(c) (3) agency within the region.

Please take a minute of your time to sign up through the web page. Deductions will be made automatically through a payroll deduction. The amount you pledge will be deducted over eight (8) pay periods. The deadline to register is **February 12, 2021**. If you multiply the amount you wish to contribute each pay period by eight (8) to you will be able to determine your total contribution. Payroll deduction will begin on February 26th and will end on June 6th. There will also be a section for one-time donations available on the web page.

Your compassion and generosity will make this the best United Way Campaign the NECSD has ever hosted!

Sincerely,

Dr. Roberto Padilla
Superintendent of Schools
