

Qualified Tip Deduction Worksheet (fillable)

For use by employees with Form W-2

Name _____

Use this form if you receive tips in your job, you have a Social Security number valid for employment, and you are not married filing separately. If you have more than one tip job, complete a separate worksheet for each job. Only cash tips (including checks, credit/debit/gift cards, cash transfer apps, etc.) are eligible for the tips deduction. The value of noncash tips (such as goods or services) must be included in taxable income but is not eligible for the tips deduction (see Note 3).

Occupation in which I get tips: _____ Code # from page 2: _____

My qualified tips listed below are for employer name:	
(a) W-2 box 7, Social security tips (see Note 1)	\$ _____
(b) W-2 box 8, Allocated tips (see Note 2)	\$ _____
(c) Cash tips not reported to my employer (see Note 3)	\$ _____

Taxpayers must retain the documentation to support their tips deduction.

Note 1: Alternate entries for line (a):

- If you have an employer statement or an amount in W-2 box 14 listing your qualified tips for the “No Tax on Tips” deduction, enter that instead. Do not include any service charges or automatic gratuities listed on an employer statement.
- If you earned more than \$176,100 and the total of tips you reported to your employer on Forms 4070 or the equivalent is more than box 7, you may use that total instead.

Note 2: If you can prove that your unreported tips are other than the amount in box 8, leave line (b) blank and enter the correct amount on line (c). Otherwise, just enter the amount from box 8 on line (b).

Note 3: If any tips were not reported because you received less than \$20 in a month; or while working as a government employee not subject to Social Security tax; or you received noncash tips, such as goods, event tickets, meals, services, etc.; then provide those amounts to the Counselor separately.
