Dennis Ast

Senior Account Executive and Cyber Risk Specialist,  **ONEGROUP**

With over 30 years of experience in the insurance and risk management industry, Ast actively seeks opportunities to help clients reduce their overall cost of risk by developing a deep understanding of their business and risk management needs. As an expert in cyber insurance, among other topics, he advises both OneGroup’s staff and clients. He holds a B.S. in math from the State University College at Buffalo, an MA in insurance management from Boston University, and his Property and Casualty Insurance license in nearly half of the U.S. states. He also has CCIC designation, having completed Chubb and Carnegie Mellon University’s Heinz College of Information Systems and Public Policy’s Cyber COPE Insurance CertificationSM.
