

# JUNE 24 | Noon CDT WEBINAR

Join us for a one hour educational session:

## **Optimize Pharmacy Cash Flow with Fundamental Accounting**

A lot has evolved in the pharmacy industry since COVID-19 but one factor remains constant for success: fundamental accounting.

This webinar and the series will explore why fundamental accounting is critical to pharmacy success, what best practices pharmacies should implement in the back office and tips and strategies for minimizing taxes and maximizing cash flow and profitability.

### **Speakers**

 Ollin Sykes, CPA.CITP, CMA, Sykes & Company, P.A.

 Scotty Sykes, CPA, CFP® Sykes & Company, P.A.

### **About Sykes & Company, P.A.**

Sykes & Company, P.A. helps independent pharmacies succeed! We provide cloud-based accounting services, tax preparation and business advisory services for start-up, transitioning, and existing pharmacies.

### **Upcoming Webinars**
