

Designed with the
patient in mind

comfort made easy.

Ease of use and simplicity, from start to finish.

Owen Mumford's capillary testing products are designed to make blood sampling less complicated and **more comfortable**¹

- Autolet lancing device features Comfort Zone Technology and nine depth settings for reduced pain during sampling¹
- Unilet lancets are precision-sharpened for enhanced comfort, and offer a range of gauges for different volume requirements
- Universal fit with most lancing devices and lancets²

1. Data on file. 2. Not compatible with ACCU-CHEK® Softclix or OneTouch® Delica™. CBSELL/OMI/1118/1/US
