### **Statement:**

*"I greatly appreciate your trust in allowing me to serve APRx as a board member. I have worked on the Board since 2002 in all capacities — including Vice Chairman and Chairman — and have extensive experience in the governance of American Pharmacies. My entire career has been devoted to independent pharmacy — I have owned and operated my pharmacy for 40 years and have been an APRx stockholder since its origins. I am able to devote full attention to our Board's needs and would greatly appreciate continuing to serve the members of American Pharmacies."*
