

HPED Welcome Sugar and Spice: Thai Food & More

HPED would like to welcome Sugar and Spice: Thai Food & More, located at 500 West Chester Pike, to Haverford Township. Kim Bui, Owner, opened her doors on January 7 of this year wanting a fresh start in the new year. Kim has been thrilled with the response from the community and with building a customer base so quickly.

Born in Vietnam, Kim has lived in the United States for 39 years, with the last 21 spent in Upper Darby with her husband and children. Over the years Kim has worked in several Thai restaurants before settling at The Westin, focusing on catering. Always loving to cook and bake, Kim would share her creations with her co-workers who always encouraged her to open her own restaurant to showcase her talents.

Upon hearing of a local restaurant to soon be vacated, Kim's husband and family convinced her that it was her time as cooking was in her blood. While Kim has extensive experience in hospitality and catering this is her first venture owning and cooking for a restaurant. Kim looks forward to forming relationships with her customers and gaining their feedback on what they like and what can be improved upon. She really wants customers to enjoy their food.
