Dear A Fine Families,

I couldn't be more excited to be sending this Recital 2023 info packet out to you. It finally feels like we are back to normal. Reflecting on the last 14 years I am overwhelmed with gratitude in how you've supported not only your family's needs but also our local small business. I know it is far from easy to balance all your kids interests and your own personal/professional goals. I wanted to take a moment to thank you from the bottom of my heart and tell you all how eternally grateful I am that you have supported us and appreciate your enthusiasm for the future of the performing arts. Our theme for our 2023 show is **"Made For More"**. We believe that we can all use a little more: \_\_\_\_\_ in our lives and that we, as dancers, use our bodies as a universal language to tell stories, share ideas, communicate our feelings, break down barriers and heal through movement. We want to encourage our dancers and our audience to think about their "More".

I know it gets busy in the spring time, with end of the year graduations, shows, concerts, athletic banquets, making summer plans and even selecting your fall activities. But, let's just take a deep breath together and focus on being present and how amazing it's going to be to watch the kids shine up on the stage. This packet of information is important to keep as it is getting to be crunch time at the studio.

**MOVING FORWARD....**If you ever lose this packet of info I will post it in our BAND GROUP so make sure you have joined the band. Scan this QR code now

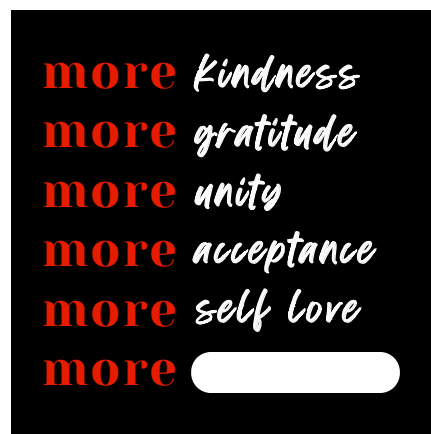

**LOCATION UPDATE:** We announced previously how excited we were to be in Wellesley as it's super local, but they unfortunately told us about a month ago that they lost their auditorium manager and therefore cannot hold any events until they hire someone. As of right now, while we still have an active contract with Wellesley, we have secured **Medfield High School** (a bit further away for some we know) but the good news is we didn't have to change the date again. Which as you know, I have never done before.

**CONFIDENCE BUILDING & DROPBOX LINKS:** As always, we want our dancers to look their best on stage; while balancing their mental and physical health. We will be reminding them to keep up their good attendance and to be practicing at home. I emailed the dropbox links several weeks ago to help the kiddos practice at home. We definitely can tell a difference with the kids who practice outside of class. They have tremendously more confidence and ultimately a better experience overall. Please encourage your dancer(s) to use the EDITED music links and videos that we keep updated in the dropbox folders.

**RECITAL T-SHIRT:** As always, each performing dancer receives a recital t-shirt. The kids wear these with pride all year long. This t-shirt is to be worn during the finale of the recital over their costume, so each dancer must label their t-shirt and bring it with them to recital. Parents, if you'd like one, please let us know by April 15th and we can order one for you too. They are \$25 each. Please include the size you would like.

**RECITAL VIDEO:** Our show is NOT live-streamed for the safety and security of our dancers, but we do include a copy of the recital video for each family. This will be on a downloadable link. Unlike other local studios, we include this video and t-shirt as a thank you for your participation in our recital.

Please continue to tag **@afinedancestudio** in your dance posts and spread the word about our amazing dance program and family. We are still building back from COVID and appreciate your enthusiasm and help. Summer registration has begun and Fall registration will begin June 1st before recital this year.

Sincerely,  
Miss Abigail & The A Fine Faculty

## **2023 TICKET SALE INFORMATION**

**SAT. APRIL 15 @ 9AM**

Scan to  
order  
tickets  
on 4/15

**TICKET LINK:** <https://29459.danceticketing.com/>

**GEN ADMISSION TICKETS \$22 EA.**

*+ ticket fee and credit fee charged directly by ticketing website*

**IMPORTANT DETAILS:** We have decided to do general admission once again to reduce stress when buying tickets. When we did assigned seats many families over purchased and stressed about staying up late ordering. This way, you just jump on Saturday, 4/15 and order your tickets anytime that day. **NO REFUNDS OR EXCHANGES ALLOWED only submit once you are sure.**

**COMPETITION FAMILIES:** Please purchase your tickets to SHOW A & Show D ONLY. Once recreational families get their tickets to SHOW B & SHOW C we will let you know that it's safe to buy more tickets. We know you are eager to attend all the shows but please let the recreational families purchase first. Thank you! **NO REFUNDS OR EXCHANGES ALLOWED.**

**LAP SITTING NOT PERMITTED:** There is no lap sitting permitted per the facilities safety and fire code. Additionally it can block people behind you and become an issue for other audience members trying to enjoy the show. All audience members are required to have a ticket. We encourage those with small children who have trouble sitting for 2-2.5 hours to not attend as it can be very difficult for them to remain quiet so others can enjoy the show.

**WARNING:** Please be patient, do NOT submit your order multiple times. Once you enter your information be certain you spelled your email address correctly as that is where your E-TICKETS will be sent. **NO REFUNDS OR EXCHANGES ALLOWED. Only submit once you are sure.**

### **HOW TO ORDER YOUR TICKETS ONLINE - from any smartphone, tablet, computer**

**On April 15th** simply visit our [ticket ordering page](#) above and follow the ticket sale prompts on April 15th. It won't work before then. Again, competition Families please purchase your tickets to SHOW A & Show D ONLY. Once recreational families get their tickets to SHOW B & SHOW C we will let you know that it's safe to buy more tickets.

**SIBLINGS ENROLLED IN DANCE WITH US ATTEND FREE** if their sibling is in a different show than them. Please make sure you DO NOT purchase your other dancer a ticket to see their sibling. *We will give them their complimentary ticket to see their brother/sister perform. We do our very best to get siblings into the same show but it's just not always possible due to so many other siblings as well as numerous other factors. I really do spend months trying to fix and limit these issues. I promise.*

**For example,** Sally is performing in SHOW B and her sister Beatrice, an enrolled AFDS dancer, is in SHOW C, so therefore both girls would get 1 free ticket each to see one another perform.

**Sally, performs in SHOW B, gets free ticket to SHOW C.**

**Beatrice, performs in SHOW C, gets free ticket to SHOW B.**

### **WHEELCHAIR or HANDICAP SPOTS**

In the event you or someone you are bringing to the show requires a HANDICAP SEAT please note that this will require the person be in a wheelchair as there are no seats in these spot.
