### DISCOUNTS

Remember if you are enrolled in all 3 sessions (Fall/Winter/Spring) you will get 10% off the Spring session automatically!

Also, if you are in our 10 year club please remind us and we will apply your discount at time of registration during each session.

### IMPORTANT DETAILS ABOUT SPRING SESSION

Each class tuition price is for the entire 10 week session. Sundays have 9 weeks but they are 20 minutes longer for the 9 weeks to accommodate the extra 3 hours so each day is even. Tuition is due in full at time of registration OR in 3 installment payments (3% fee). You will select one of these payments options during registration.

There are NO refunds once the session has begun. When you commit to the session you commit to making all payments, because you reserved a space(s) that another student was denied. Again, this session we are waiving the \$50 registration fee as a courtesy to our families to show our appreciation for your continued support through this tough time. There are also NO costume/performance fees with these classes as we are unsure if we can have an end of the year performance.

### WHAT HAPPENS IF THE STATE SHUTS BUSINESSES DOWN?

GOOD QUESTION! Everyone will be converted (for the shut down period) to the "Zoom Only" rate which is 50% off the in studio price. Families that are paid in full will receive credits back in their account. Others with remaining payments will have their accounts adjusted to reflect the "Zoom Only" rate.

Bottom line we PROMISE to make sure you and your kids are taken care of during a possible conversion from in studio to the zoom only classes.

### ZOOM LINK ACCESS TO LIVE IN STUDIO CLASSES

- If you choose this option, your dancer will take class from home on zoom while other kids are in the studio. No matter the length of the class you pay a flat rate of \$99 per session per class.
- Zoom dancers must be paid in full at the start of each session (no installments).
- You must call to register for a zoom spot in the classes to the left as we manually enter these.
- Example: Susie takes 2 different classes, she pays \$198 for the entire Spring session no matter the length of the classes.

### WHY IS THIS A FLAT RATE NO MATTER THE LENGTH OF THE CLASS?

Because we do not have control over the reliability and quality of the internet and zoom website. However, we love that the kids have the opportunity to dance from home and know how frustratingly unreliable technology can be. We have made a significant investment into upgrading computers, internet speed, microphones, webcams and even tried to hardwire directly into the router but some students continue to have issues. We have been told that some of these problems may be a result of factors out of our control, such as, families home computer hardware/software and internet speeds, etc. Please note that teachers focus will remain on the students in studio for safety reasons and there will be no refunds or credits for issues related to technology and the internet or zoom website.
