Our creative arts based camp is uniquely designed to provide our younger dancers (ages 3 - 10) with a special performing arts experience. Through movement, music, art and literature, we'll creatively explore a different theme each day of the week. Your child will be safe, loved and their creativity will be encouraged and nurtured.

Through the medium of dance our campers will be introduced to ballet, tap, jazz, hip hop, acrobatics and more! Using a mix of classical and popular children's music, Props, hula hoops and more we will surely have a blast! Sessions are tied to daily themes which are gender-neutral so that all our friends will enjoy dancing and movement in a fun, safe and nurturing environment!
