

Join the 2025 Climb for Kids Team in the Iron Horse Bicycle Classic

We are in the process of building our 2025 Iron Horse Bicycle Classic team roster and we'd love your help filling the rest of the spots. If you or any of your family and friends have ever considered riding in any of the Iron Horse Cycling Events, we would love to provide you with free registration to join our team. We have a great team of riders (from newbies to very experienced riders) to encourage and motivate each other as we enter 2025!

Our riders come with many different backgrounds and stories, but it is guaranteed you will have a great time being part of a team committed to helping kids in southwest Colorado! Join our team of medical professionals, parents of medically complex kids, teen riders, community members that joined after hearing our mission during Noel Night, and even friends all the way from the Front Range who were inspired from other rides together!

This cycling event is our biggest fundraiser of the year. Everyone has a 'why' and a reason they choose to "Climb for Kids" – we can't wait to hear yours!

YOUR COMMITMENT:

Raise a minimum of \$300 for the Durango Derailers Patient Assistance Fund. The team covers your registration fee for road or mountain bike events.

YOUR IMPACT:

The Iron Horse has graciously donated 50 bib registration slots to the Durango Derailers for the 2025 ride to help our cause of helping kids throughout southwest Colorado. Dollars raised by Durango Derailers Climbing for Kids team will assist families traveling outside of SW Colorado for acute care and scheduled specialty visits with travel funds for help with gas expenses and short-term hotel stays. We have nearly 7 families every week utilizing the funds.

The kids we support fight big battles every day. Let's join them in this ride of courage, determination and strength to show them that we support them.

WHAT'S INCLUDED:

- Registration for your choice of IHBC event
- Custom Specialized water bottle
- Custom Team Durango Derailers Jersey
- Fundraising Tools

DETAILS:

You can register on the **IHBC website** with discount code "dd2025" and reach out to our Team Captain, Laura Shelton at laurashleton@alpinebank.com or 970-749-1506 to be added to our team roster.

Register now with code
"dd2025"

Email Laura to be added to our team roster

Meet the Maes Family

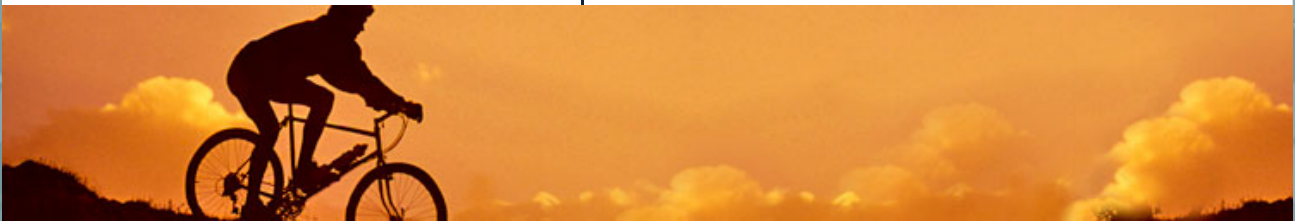

When Bridger was born 10 weeks early, we found ourselves facing a lengthy NICU stay in Denver, seven hours away from home. Of course, the hardship, doctors appts, and diagnoses don't often stop at discharge. We faced many trips back to the city for appointments, studies, surgeries, and follow ups.

Durango Derailers helped alleviate the mounting costs of traveling back and forth constantly. We also knew that we had people in our community that were rooting for us and for our baby boy. We are endlessly grateful for YOU for taking on the challenge of the Iron Horse to support families like ours. Your dedication (and tired legs) have given our son so much hope in facing his obstacles.

-Rose, Josh, and Bridger
