Please contact Nicki Land if you do not receive confirmation of your submission, or if you are in need of assistance: [Membership@nyuce.asid.org](mailto:Membership@nyuce.asid.org)

## 2021 Design Competition Fine Print

---

### 5. DEADLINE

- A. Questions regarding entry requirements, guidelines, judging, submissions, etc., must be emailed to Nicki Land [Membership@nyuce.asid.org](mailto:Membership@nyuce.asid.org) prior to **Thursday April 15<sup>th</sup>, 2021**. **No questions will be answered verbally.** Any questions submitted after this date will not be answered.
- B. Completed entries and payment must be received by 11:55pm on **Thursday April 15<sup>th</sup>, 2021**.

### 6. JUDGING

- A. The ASID NYU/CE Chapter Professional Design Competition Committee will appoint a jury with a minimum of three judges. Judges will be ASID members in good standing, that do not belong to the NYU/CE Chapter.
- B. Entries are evaluated individually and awarded points. Judges' scores for each entry are totaled out of the five (5) sections listed below with an opportunity for extra credit. Totals from each judge are then averaged to determine the winner.
- C. The judges reserve the right not to issue any award for any category where the entry does not exemplify design excellence in accordance with judging criteria. Scores 79 or below are not considered for award purposes.
- D. Any entry that does not meet all competition rules and requirements will be automatically disqualified. No refunds will be considered.
- E. Judges reserve the right to combine categories with less than three (3) entries as they see fit.

### 7. ENTRY EVALUATION

- A. Design Objectives (20 points): Clarity of project. Addresses project requirements and scope in concept statement. No identifying information for designers should appear on the design statement. This is to maintain entrant anonymity.
- B. Aesthetics (25 points): Overall visual success of the project using the principles and elements of design.
- C. Functionality (25 points): Effective and appropriate use of materials, finishes, furnishings, lighting, space planning and detailing.
- D. Design Creativity (25 points): Originality and creativity in problem solving, material use and attention to detail.
- E. Sustainability (5 points): ASID believes that design impacts lives to enhance the human experience. Describe in your project statement the design elements that successfully support this mission and how the power of design can positively affect the client, public, etc.
