

After Sunday worship via Zoom

Sunday Coffee Time

10:30 AM ZOOM

Can you Zoom with coffee? After the service on Sunday at 10:30 AM, we will host a Zoom meeting. The purpose of the meeting is just to have coffee time – a social time – just like Sunday coffee hour.

We will have one question to get the conversation going, and then people can talk to each other at will. It will last for 30 minutes or so.

It's as easy as 1, 2, 3...

1. All you need is a computer with a webcam, a laptop with a webcam, or a SmartPhone.
2. Then go to your web browser and type in "Zoom" and click on ZOOM: Video conferencing.
3. On the right-hand side, click on: "Join a meeting" and type the following meeting number and password in the box: Meeting Number: 851-7577-9599
Password: 9999

See you there!
