

Sponsor the JP Trolley

This year, JP Centre/South Main Streets has committed to run a trolley for three events in Jamaica Plain:

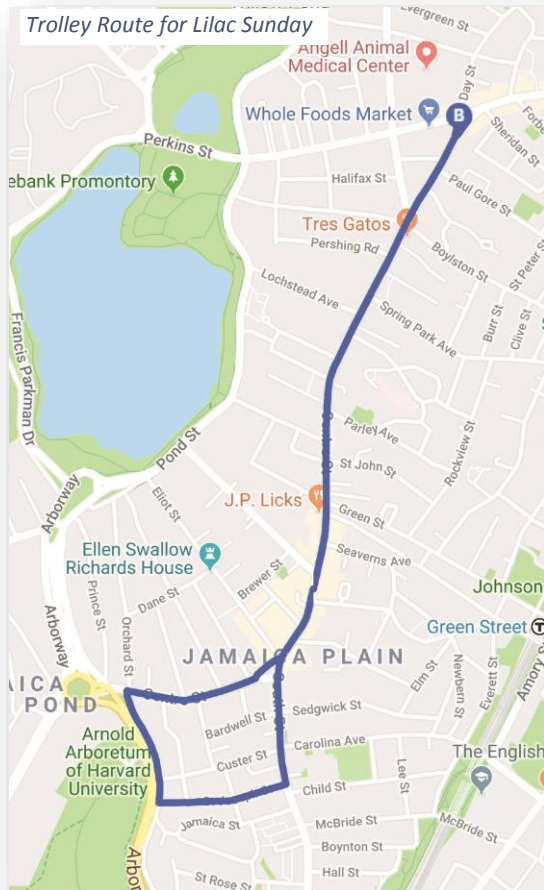

- Lilac Sunday, May 12
- JP Porchfest, July 13
- JP Open Studios, Sept 28 & 29

We need your support to bring the trolley to Jamaica Plain. Improved transit promotes the community, enhances each Jamaica Plain event, and attracts visitors and shoppers to the businesses in the district.

Last year, we sponsored a trolley in coordination with JP Business & Professional Association and Egleston Square Main Street as a pilot program. The success of last year's trolley convinced us to keep it going.

Your funds are needed to help pay for the trolley, signage for stops, banners, and brochures. Total costs come over \$6000. Any contribution can help us cover the costs of this successful addition to JP's events!
