

SUSTAINABILITY DAY AT THE FARMERS' MARKET

The Town has teamed up with Lexington Farmers' Market and LexCAN to host a Sustainability Day at the market.

Tuesday, September 17
2:00 PM - 6:30 PM
Worthen Practice Field

In addition to the regular vendors, there will be representatives from a host of organizations sharing resources to help you adopt more sustainable practices.

Lexington Farmers' Market:

Organizations will include:

- **Black Earth Compost:** Sign up for the Town's free compost program
- **HomeWorks Energy:** Schedule a free home energy assessment
- **Lexington Community Choice program:** Enroll in the Town's clean electricity program
- **LexCAN:** Get involved with local climate action
- **Lexington HeatSmart:** Talk to an Energy Advisor about heat pumps or solar
- **Lexington Living Landscapes:** Get inspired for a healthier lawn or garden
- **Lexington Zero Waste Collaborative:** Learn how to reduce your daily waste
- **Lexington Tree Committee:** Learn how Lexington protects its trees
- **Revision Energy:** Explore solar and other clean energy solutions
- **Techcycle Solutions:** Recycle old electronics
- **Town Conservation:** Buy a native plant
- **Town Sustainability & Resilience:** Take a step to reduce your carbon footprint
- **Town Transportation Services:** Make a plan to leave the car at home

Family Fun

We will also feature a kid friendly activity--"Passport to a Healthier Planet"--that kids can take around to each booth, learn a little something, and get their passport stamped!

**Passport
to a
Healthier
Planet!**
