Pathway Program**

## What's your plan for college?

With ASI, your academic roadmap can be outlined as early as Elementary School. We are fully accredited for grades K-12. Our high school diploma guarantees acceptances to our college and university partnerships. Documented transfer agreements with 15 universities across the United States ensures your academic future without the stress.

## Need English?

Establish your English proficiency with our placement test. Then use our program to develop your English mastery for eligibility into our high school diploma program. Our English Language Learning program is delivered month to month, so you only take what you need. Assessments are built in.

## ASI US Dual Diploma

Enroll with one of our international partner schools. Take our 6 online courses concurrently with your “in country” high school coursework. Upon completion you will have earned two diplomas: one from your home county, and a College Preparatory Diploma from the United States.

## 2+2 University Program with Partner Community College

Our College partnership agreement allows you to take the first 2 years of college level courses, online, from home. Transfer directly to one of 15 universities in the U.S. for the final 2 years, **guaranteed**. ASI graduates are guaranteed acceptance to this 2+2 program.

## Traditional University Program (4-year program)

Our 4-year university partner agreement gives acceptance for our graduates holding a 3.0 grade point average while meeting our graduation requirements. Of course, you are still eligible to apply to any college or university worldwide with our fully accredited diploma program. We have just made it easier.
