

Information Technology Courses

Why Sierra College CTE?

Career and Technical Education (CTE) at Sierra College is a group of programs that prepares students for entry into professional level employment opportunities, typically, within one to four semesters. There are 21 CTE programs offered at Sierra College directly related to industries within the Sierra College District area and its local labor market needs.

**Fall 2025 Course(s):
Course begins & ends**

August 18th
to December 13th

Our IT students can go into these Careers!

Cybersecurity

Network and
Computer Systems
Administrators

Computer Systems
Analysts

Computer Network
Support Specialists
