

## CAMP EMERSON SIBLING OFFER

Camp Emerson is a wonderful overnight camp for children ages 7-15, nestled in the Berkshires on a campus of 170 acres. The owners, who raised a child with autism, have generously offered several two-weeks spots this summer at a substantial discount to families in our Autism Community.

This opportunity is open to children who have a sibling with an autism spectrum disorder. Camp Emerson's goal is to give children who might not always get a lot of attention, the chance to enjoy a summer experience that is all their own. The campers design their own schedule from over 50 activities including a heated pool, 2 lakes, art, theater, athletics, cooking, wilderness, rock band, science and more! Camp Emerson is known for their nurturing environment, passionate staff and creative programming.

The special price is \$1,100 for 2-weeks and includes round trip bus from Newton, MA. The regular price is \$3,900. Payment plans are flexible. There is a sliding scale for those families who need additional support.

### Session Dates (subject to availability)

Weeks 1-2 – June 22 – July 6

Weeks 3-4 – July 6 – July 20

Weeks 5-6 – July 20 – August 3
