

**Thank you** to one of our longstanding families, The Cheever Family, for their amazing donation to *The Autism Alliance*!

Each year the family hosts a golf tournament in memory of, Mr. Cheever's cousin, Marlene, called "**Mr. and Mrs. T. Golf for Autism**". Mrs. T. was a teacher in Framingham for decades and a generous and kind supporter to children and families in our community.

We were humbled to receive a check for \$3,550 from their 19<sup>th</sup> Annual Golf Tournament. On behalf of all the families that we serve, thank you!
