

ADSOEF WELCOMES A. M. BOYD RECIPIENT GUNEL ALASGAROVA

The Alpha Delta State Ohio Educational Foundation would like to introduce their latest A. Margaret Boyd Overseas Fellowship recipient, Gunel Alasgarova from Azerbaijan. Gunel became the recipient for the 2020-2021 school year and began her studies at Kent State University this past September. She took her first semester classes remotely and is now continuing virtually here in the United States. She, with her family, landed at Kent State University on January 7, 2021, where she is seeking a master's degree in Evaluation and Measurement, Foundations of Leadership Administration. The picture of Gunel shows her

true feeling about our help with her education and when asked how she felt about being on campus she replied, "If you ask me, I feel on the clouds because of happiness. I am in my lovely Kent State University, what an amazing place to study"! Gunel is planning to attend our virtual ADSOEF Annual Meeting and the OSO Convention. Members can send her words of welcome, encouragement, and belated birthday greetings, as her birthday was February 17. Contact her at gunel_1@yahoo.com.
