

ADSOEF NEWS FROM A. MARGARET BOYD RECIPIENT

In 2018-2019, the ADSOEF Foundation awarded an A. Margaret Boyd International Study Overseas Fellowship to Nominchimeg, “Nomin”, Davannyam for study at Kent State University. Nomin joined us at the OSO State Convention and was exceedingly thrilled to learn about DKG and to meet many of our members. She wanted to share her thoughts of what this fellowship, our kind words of encouragement and other gestures mean to her. Her letter follows:

Dear Members of The Delta Kappa Gamma Society,

I would like to express my deepest gratitude for your support, both financially and mentally, and it is because of your generosity I am able to study at Kent State University and fulfill my goal to specialize in Educational Psychology.

At the convention last spring I met wonderful people, dedicated teachers and committed women educators. It has given me courage and confidence to pursue my passion and reconfirmed that I was on the right path.

Upon graduation, as promised to you all, I will begin my journey of educating young psychologists. I hope one day I will be able to tell my story about how your generosity and sisters at DKG have helped me to become a pioneer in school psychology of Mongolia.

Sincerely,
Nomin

We are still supporting Nomin through this Fellowship, thus she can still use our support, thoughtful words of encouragement, cards, texts, etc. Her email is nominchimeg0606@gmail.com.
