

 “Tis the Season of Treasuring ‘The Gifts’   
on the Delta Kappa Gamma OSO ‘Member’ SHIP”

As we gather together in our various OSO Chapters on the ‘Member’ SHIP Cruise let’s remember the special gifts that we have in each of our members during this season. Recall, some of the special memories that you shared with members of your sisterhood. Think about the trips or places that you had the opportunities to visit with members of your Chapter and other Sister Chapters in DKG! Remind yourself about all the knowledge you gained from the workshops you attended, authors you met, artists you heard, and speakers you experienced. Close your eyes and remember the tastes and smells of the delicious food, drinks, and those delectable deserts that were consumed at the many Delta Kappa Gamma Society luncheons, banquets, breakfasts, and fellowships.

Every OSO member should be appreciated for all of their talents, wisdom, strength, expertise, knowledge, roles as educators, along with their honors, recognitions, and accomplishments, and much more.

You... are a ‘Special Gift’ to be unwrapped and valued, not just during this season but every season!

Remember this acronym **G-I-F-T**, as “The Gift” that is wrapped up inside of each of you.

**G-** stands for being **Generous Givers**...As DKG sisters each of you give/have given of your time, talents, and special touches to your students you serve or have served as well as givers of your time and talents to DKG!

**I-** reminds you of how your passion for DKG **Ignites**... Each of you has a sparkling flame (that never goes out) of hope, passion, and love for our Delta Kappa Gamma Society and a desire to keep it alive!

**F-** means that each of you are ... **Fabulous, Fantastic**, and **Faithful**... Sisters in DKG!

**T**-is for being a **Tremendous Treasure** as a member of our DKG sisterhood along with being a valuable ‘Totally Together’ educator in your community impacting the world.

**Thank you for sharing your “Gift” ... Delta Kappa Gamma sister, YOU are a Treasure!**

**Happy Holidays to Each of You!**

Melodie A. McGee, Membership Chair  
Gamma Nu Chapter
