

So many smiles

begin with you

... Valentine ...

2019 Student Teacher Grant Recipients

Thanks for being thoughtful, loveable you!

Dear Valentine,

“Building from the HEART” continues! Join your philanthropic sisters, as your Foundation accepts donations throughout the year for the Esther H. Strickland Student Teacher Grant Fund. ADSOEF recently received thirty (30) applications for this grant. Please contribute, perhaps in honor or in memory of your favorite Valentine. Your support is essential!

Do you really want to give from your heart to another Foundation fund? You and your chapter have the opportunity to provide a basket or item/s for the **RAFFLE** at OSO Convention. Your Chapter Representative has the raffle directions. Contact Sandy Royer at sandyroyer51@gmail.com by February 20 to enter your creation! As an annual event, sisters love seeing the interesting variety available. 2020 will not disappoint! Buy tickets for the item or items of your choice. Then YOU may WIN! The odds of winning increase with more of your tickets. *(Hint: Since you need to write your name on all those tickets, bring along plenty of address labels!)* This excitement is always fun at convention.

Our Birthday Luncheon on Saturday of Convention is a tradition of importance. **YES**, envelopes will be provided for your financial gift to support our philanthropy. YOU decide the specific fund.

Each and every Delta Kappa Gamma member is our Valentine! We thank you for your generous hearts! You definitely make a difference in the lives of fellow educators when you build up the funds to be distributed to deserving applicants.

With Warm Regards,

Your Fundraising Committee and Foundation Directors

Thank you for building from YOUR heart!
