

# Notes from HANDCHIME LOANER PROGRAM

Jennifer Stack

I hope that everyone is happy to be returning to bells and chimes this Fall! My groups are starting up again and it's great to be back!

All of the chimes from 2019 have been returned to Area 1 and they were well-loved in their bonus year out! Two sets are currently on loan this year to an elementary school in Danvers, MA and to a boarding school in Waldoboro, ME.

If you have interest in borrowing a set of chimes for this school year-please contact me through the following link:

I wish you happy and healthy ringing!
