

## **Handbell Director**

The Episcopal Church of the Good Shepherd in Nashua, New Hampshire is seeking to hire a Handbell Director to start September 2019.

The handbell program at Good Shepherd dates back to 1973 with the founding of the The Bellringers, a highly refined group of adolescent handbell ringers in grades 7-12. Since that time, The Bellringers has performed nearly 1000 concerts throughout the United States and England including annual appearances at Nashua's Winter Holiday Stroll.

In recent years, the handbell program has grown to include an adult ensemble and a children's ensemble and The Bellringers was reimagined as an elite quartet. Equipment includes 4½ octaves of Malmark handbells, refurbished in 2017 and two octaves of Malmark Choirchimes.
