The Granite State Ringers is an advanced community handbell choir based in central New Hampshire. We most recently played with the Bronze Division at the 2019 Festival Conference in Hartford, CT.

Our mission is to support the continued development of the art of handbell ringing, and to promote the ringing of handbells as a legitimate musical art by presenting lectures and concert performances of distinction.

GSR also endeavors to foster the musical growth of its membership and contribute to the increased knowledge and appreciation of handbell music in New Hampshire and beyond.
