## NH Spring Ring 2019

It was a very sad day when we had to cancel the NH Spring Ring in March. We have begun planning for Spring Ring 2020 so mark your calendars for April 4, 2020

## Membership Geographic Survey

Thank you to everyone that answered the survey. For those of you that have not yet a chance to share their information I will be following up over the next few weeks to get as many of you as possible. This is information that will help Area 1 plan for the future, including offering events and trainings that meet the needs of our members.

As I write my last article as the New Hampshire State Chair, I have taken some time to think about how much has happened in Area 1 since I became part of the board the first time, as member-at-large, 29 years ago. So you have already read about one change, the Area 1 Board structure. Technology has been a big part of the changes in how we communicate with our membership, handle our elections, register for events, file our reports, and hold some of our meetings.

What has not changed has been the effort of all the people serving in board and committee positions and their commitment to our members. The ongoing work continues to focus on the needs and wants of our composers, ringers and directors. Make sure that you continue to be part of this dynamic organization.

Joan Fossum, NH State Chair
