

## Best Ever Free Music Tool

*Encouraging schools and other non-profit groups to develop musical programs using handchimes*

**3-octave set of handchimes and wonderful, innovative support materials loaned for the September to June school year time frame.**

Remember, to keep the Chime Loaner Program in your discussions and spread the word that this program is for schools, community organizations, home-school coops, churches, after school programs, college activities, any non-profit organization looking for a fun, informative, rewarding activity and is adaptable to all types of learning styles and challenges. It's time to start receiving applications for 2020/21. We like to have all applications by June 15 in order to do the best planning for fall.
