Greetings Ringers!

As of May 1st, 2019, I am the new Connecticut State Chair for Area 1. My sincere thanks go to Mobby Larson for her many years of serving Area 1 in this position, and also for her help as she works with me to make this transition go as smoothly as possible.

As I am new to this position, I thought this would be a good opportunity to let you know more about myself. I am a native New Yorker who moved to Connecticut about twelve years ago while pursuing a Masters Degree in Music at The Hartt School. I am the Music Director at Simsbury United Methodist Church where, between three different bell choirs and a carillon program, I get to work with many fabulous and dedicated ringers. My husband and I live in Windsor with our three children.

We Connecticut ringers are very excited that this year's Area 1 Festival Conference is in our home state! For those following along with festival conference news, you have likely heard about the basket raffles, as each New England state is asked to bring a basket of goodies to represent their state. The Connecticut basket is still in progress and I am still looking for goodies to put in the basket to represent the wonderful state of Connecticut. These could be crafts, souvenirs, Connecticut-themed or Connecticut-made items, edible treats, anything! Please consider donating something for this fun endeavor. Contact me via email if you have anything to contribute to the basket.

Best,
Bridget Scarlato
