

Bronze Ensembles: It's Time to Submit Your Audition Videos!

Please find below the instructions for submitting your video audition for acceptance as a Bronze Division choir at the upcoming Area 1 Festival Conference. Videos can be submitted between December 1, 2018 and January 15, 2019.

All submitting directors will receive emailed feedback from the committee chair no later than January 31, 2019. Content will include an overall performance evaluation along with the score breakdown of each rubric category. An explanation of the audition rubric may be found at <http://area1.handbellmusicians.org/festival-conference-bronze-division/>.

Choirs are solely measured against the rubric and not each other. Should the reviewing committee deem that the submitting choir is not prepared to participate in the Bronze division, the choir may choose to ring in the Coppers division, or may be asked to work on specific issues with an Area 1 mentor, and then submit a new video within four weeks of notification.
