

Granite State Ringers

Vibrations

GSR Purpose:

GSR is a not for profit corporation whose purpose is to support the continued development of the art of handbell ringing, and to promote the ringing of handbells as a legitimate musical artand contribute to the increased knowledge and appreciation of handbell music in New Hampshire and beyond.

In support of our mission and purpose the Granite State Ringers are pleased to announce the GSR Vibrations Program. The goal of this program is to provide adults the opportunity to learn to ring if you are brand new to handbells. For those who already play, we will help you freshen up rusty skills and learn new skills. This will prepare you for a future audition to join GSR! This program is open to any interested adult 18 or older.

GSR Vibrations Program Outline-Fall 2019

Monday: September 16-November 11, 2018

6:00-6:30 pm

Vibrations I: We will begin with identifying where each person is in their musical and handbell ringing skills. This will involve learning and reviewing handbell and handchime ringing techniques, understanding special handbell score markings and learning how reading handbell music is the same and different from reading other musical forms.

6:30-7:30 pm (for everyone)

Vibrations II: This ensemble allows continued growth in your handbell experience from previous levels of instruction. Using a variety of repertoire we will work on improving musicality through the use of your skills and techniques.

7:30 pm-8:30 pm (more experienced ringers)

Vibrations III: This ensemble is for ringers with intermediate/advanced skills that really want to challenge themselves. Depending on the size of the group we will work on ensemble ringing and advance repertoire. Recommendation of the Director needed.

Fall 2019 Registration Vibrations
