

## Two handbell concert opportunities at University of Hartford, June 27 and June 30

**West Hartford, CT** – Whether you are a fan of handbell music or someone who has never seen a handbell concert, there will be two opportunities to experience this musical art form in all its glory, on June 27 and June 30, at the University of Hartford.

Handbell musicians, directors and educators from all over New England and beyond will gather on the University of Hartford campus in West Hartford for four days of educational workshops, massed ringing rehearsals, concerts, and the chance to network with others who share a love for handbells. This regional conference, produced bi-annually by Area 1 Handbell Musicians of America, will feature two outstanding handbell concerts that are open to the public, both held at venues on the University of Hartford campus.
