

US-95, Fruitland to Payette

Construction Update October 19 to October 25

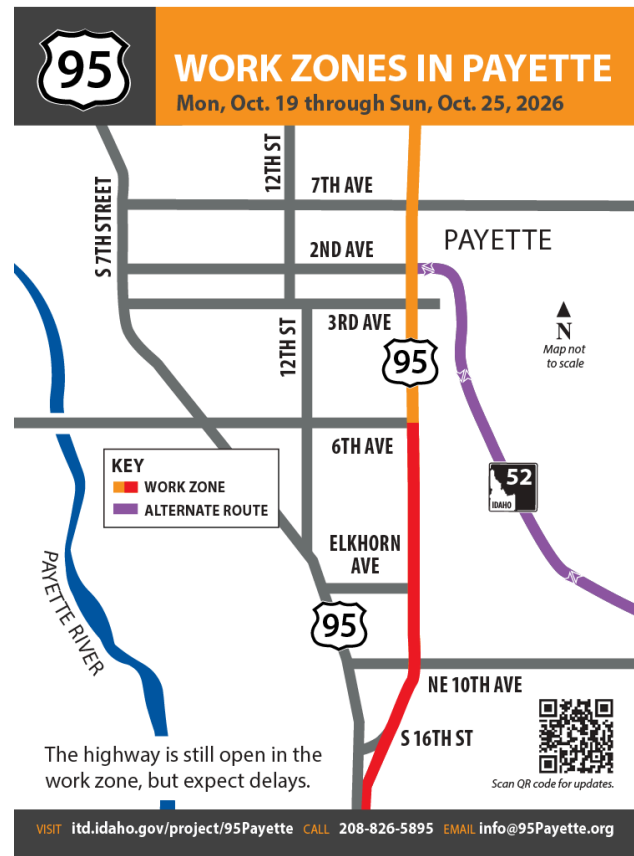

Paving in Payette

Paving is expected to finish on the northbound lanes of US-95 sometime over the weekend. Once complete, traffic will shift onto the new pavement. Paving will then begin on southbound US-95 between the Y intersection and 7th Ave N.

What to expect:

- Flaggers intersections and businesses to help direct traffic
- Abrupt edge along US-95
- **Y and 6th Ave S:** One lane with a pilot car directing traffic
- **6th Ave S to 7th Ave N:** One lane of traffic in each direction from

Paving in Payette is expected to end by early November. We will share more information about the status of these impacts as it becomes available.

Work in Fruitland

Lane closures will continue next week on US-95. Work will be done on manholes between Gayway (US-30/US-95) Junction and the south end of the Payette River Bridge.

Additional curb, gutter and sidewalk work is ongoing on both sides of the highway.

Construction activity, locations and schedule may be subject to change.

Alternate Route

This project is expected to create congestion and significant delays in the Payette and Fruitland area. Please plan ahead, **check 511** and allow for extra time or consider an alternate route.

Please remember:

- Use caution when driving in work zones and be courteous of other motorists
- Watch for flaggers in the roadway
- Slow down
- Don't block intersections, driveways and entrances to businesses
