August 14, 2026

US-95, Fruitland to Payette

Construction Update
August 17 to August 23

Be aware: Work on US-95 is paused to reduce backups due to the ongoing wildfire on SH-55. We expect to stay on schedule, but work may be delayed.

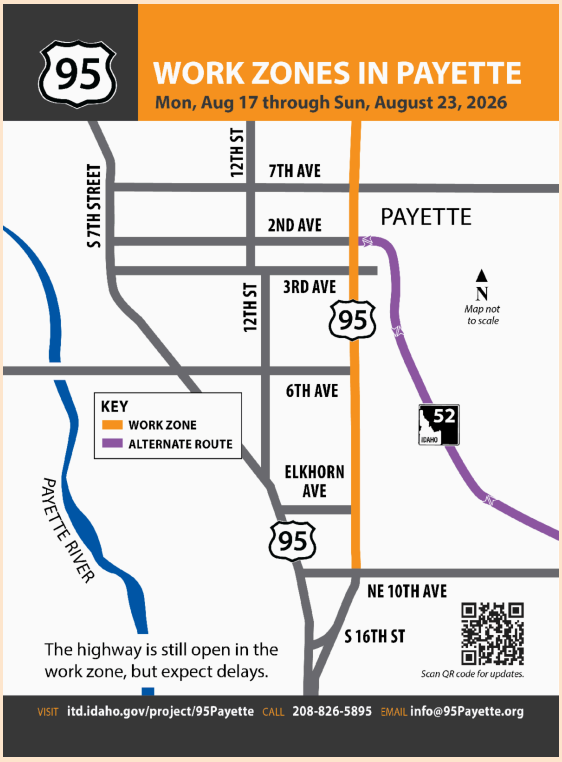

Paving Work in Payette

Crews continue to demolish sidewalks and gutters along **US-95 from 6th Avenue to north of 7th Avenue** in Payette.

Paving progresses on the highway north of 7th Avenue. Once done, crews will begin paving US-95 between **NE 10th Avenue and 6th Avenue.**

What to expect between NE 10th Ave and 6th Ave:

- Reduced to one lane with temporary signals directing traffic at NE 10th Ave and 6th Ave
- 35 mph speed limit in work zone
- Delays, allow extra time and consider an alternate route

Download map here

Work though Payette is expected to create congestion and significant delays. Consider using an alternate route.

Please yield to emergency vehicles responding to emergencies, and avoid blocking intersections and driveways.

Construction activity, locations and schedule are subject to change and may not be reflected on the map.

Curb, Gutter and Shoulder Work in Fruitland

Utility and curb work continue on US-95 between **11th Street and 24th Street.**

What to expect:

- One lane open in each direction with occasional flagging
- 35 mph speed limit in the work zone
- Shifting traffic patterns
- Delays, allow extra time and consider an alternate route

Alternate Route

This project is expected to create significant delays for motorists on US-95. It is recommended to use alternate routes when possible.

Please remember:

- Use caution when driving in work zones and be courteous of other motorists
- Watch for flaggers in the roadway
- Slow down
- Don't block intersections, driveways and entrances to businesses
