August 7, 2026

US-95, Fruitland to Payette

Construction Update
August 10 to August 16

Paving Work in Payette

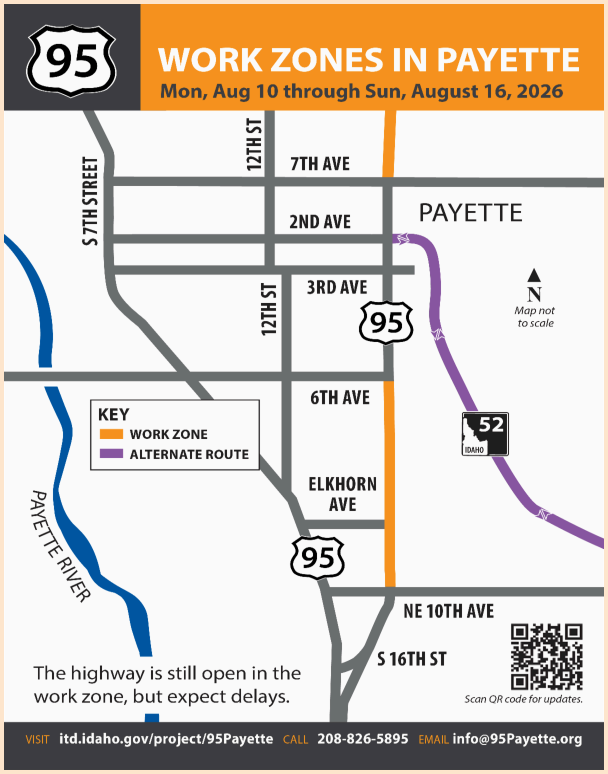

Crews are expected to finish work on US-95 **north of 7th Avenue** early this week**.** Once done, crews will begin paving between **NE 10th Avenue and 6th Avenue.**

Work though Payette is expected to create congestion and significant delays. Consider using an alternate route.

Please yield to emergency vehicles responding to emergencies, and avoid blocking intersections and driveways.

What to expect:

- Reduced to one lane with flaggers
- 35 mph speed limit in work zone
- Delays, allow extra time and consider an alternate route

Construction activity, locations and schedule are subject to change and may not be reflected on the map.

Curb, Gutter and Shoulder Work in Fruitland

Utility and curb work continue on US-95 between **11th Street and 24th Street.**

What to expect:

- One lane open in each direction with occasional flagging
- 35 mph speed limit in the work zone Shifting traffic patterns
- Delays, allow extra time and consider an alternate route

Alternate Route

This project is expected to create significant delays for motorists on US-95. It is recommended to use alternate routes when possible.

Please remember:

- Use caution when driving in work zones and be courteous of other motorists
- Watch for flaggers in the roadway
- Slow down
- Don't block intersections, driveways and entrances to businesses
