

US-95, Fruitland to Payette

Construction Update October 26 to November 1

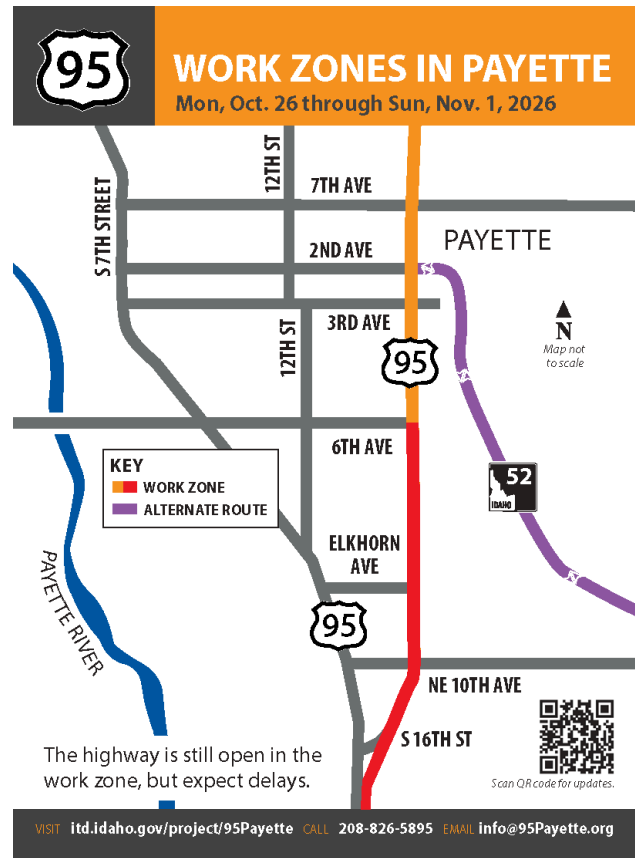

Paving in Payette

Paving continues on southbound US-95 between **the Y intersection and 7th Ave N** and is expected to finish this week.

What to expect:

- Flaggers at intersections and businesses to help direct traffic **Y and**
- **6th Ave S**: One lane with a pilot car directing traffic
- **6th Ave S to 7th Ave N**: One lane of traffic in each direction

Please remember to **slow down** and watch out for **shifting traffic patterns** and **abrupt edges** along US-95.

Work in Fruitland

Lane closures continue on US-95. Work will be done on manholes between Gayway (US-30/US-95) Corner and the south end of the Payette River Bridge.

Additional curb, gutter and sidewalk work is ongoing on both sides of the highway.

Construction activity, locations and schedule may be subject to change.

Alternate Route

This project is expected to create congestion and significant delays in the Payette and Fruitland area. Please plan ahead, **check 511** and allow for extra time or consider an alternate route.

Please remember:

- Use caution when driving in work zones and be courteous of other motorists
- Watch for flaggers in the roadway
- Slow down
- Don't block intersections, driveways and entrances to businesses
