Frequently Asked Questions

Can I create my ad online even if some of the photos I want to use are paper photos instead of digital?

Yes, you can create your ad online and submit the digital photos through the website, then mail the paper photos to Jostens at the address indicated on their website. Mailed photos should be no larger than 8x10.

Should I send in original photos?

Jostens will make every effort to return all photos sent in; however, they don't recommend sending your only copy of a priceless family photo.

How are the ad prices determined and what is the money used for?

Ad prices are determined by St. Junipero Serra Catholic School. The revenue from Recognition Ads helps St. Junipero Serra support the yearbook and to keep it affordable for everyone.

How is the ad deadline determined?

The ad deadline is set by St. Junipero Serra, based on the production schedule for the yearbook.

What should I say in my ad?

The most effective ads reflect a balance between words and pictures. Ad text can consist of personal messages, inspiring quotations, prayers and/or passages from poetry. Samples of messages used in other ads may be viewed at the Jostens website at JostensAdService.com.

I already created my own ad as an electronic file - do I have to use one of their templates?

No, if you have already created your own file in one of the accepted digital formats, when designing your ad online, select the blank template in the size you wish to purchase and upload your single image.

Can I send my materials to the school?

No, please do not send your materials to the school. St. Junipero Serra has selected Jostens to assist with our ad program. Please send all materials to the address indicated on their website or call their customer service at 800-358-0800 if you have questions or need assistance in creating your ad.
