

## Sunday, March 14, 2021 6<sup>th</sup> Grade Weekly Information

### FROM THE TEACHERS:

On Friday, March 19<sup>th</sup>, the 6<sup>th</sup> grade students will be participating in their Greek Festival. This is a tradition done each year that focuses on the cross curriculum of Greece in ELA and social studies. There will be four rotations done the first four periods of the day, to complete this festival. Each homeroom will participate in different activities focused on Greece. The 6<sup>th</sup> grade team is asking that each student who will be in attendance on Friday bring an empty toilet paper roll, and paper of their choice (construction, tissue, wrapping, etc.) to help create a mythological monster that will be presented that day. Other supplies will be provided to construct the monster. Please make sure your child also has a glue stick, scissors, and markers or colored pencils for that day. Thank you!

### 6<sup>th</sup> GRADE NEWS & REMINDERS:

**Daylight Savings:** Spring forward Sunday, March 14<sup>th</sup>

**Trimester 3 begins:** Monday, March 15<sup>th</sup>

**Wednesday, March 17<sup>th</sup>:** **Happy St. Patrick's Day!**

In celebration of St. Patrick's Day, students will be allowed to wear "green" non-uniform clothing and accessories.

Grace and Blessings,

Nichole – 6<sup>th</sup> Grade RPC
