

Important: Last Chance to Register for STAR Test Notifications

The final diocesan STAR testing window for the 2020-2021 school year is May 10-May 21. Students will take the STAR Math test during the week of May 10 and the STAR Reading test during the week of May 17.

The email notification system in Renaissance Home Connect is the delivery method for STAR test results this year. Results will **not** be sent home from the school.

If you want to see your children's STAR test results, you must sign up for email notifications on their Home Connect pages. And you must do it **before** your child takes the tests. **Therefore, if you want to view your children's results on the upcoming STAR Math and STAR Reading tests, you must register on Renaissance Home Connect by tomorrow morning.**

If you have already signed up for email notifications on Renaissance Home Connect, you do not have to do it again. If you have not yet signed up for the email notifications, here, again, are the steps you need to follow:

1. Logon to the new Renaissance Home Connect Website: <https://global-zone53.renaissance-go.com/studentprogress/homeconnect?t=274505>
2. Use your child's username and password to login and view results. (If your child does not remember his or her username or password, contact Lynne Pantano, Director of Academic Testing and Analysis, at LPantano@serraschool.org).
3. Click on the orange icon labeled "Get email updates" in the upper right-hand corner; enter and confirm your email.
4. Repeat the process for each of your children.

Please note that the email notifications are sent just once. Therefore, if you want to be able to refer back to the test results at a later date, you must save an electronic copy of the email or print out a hard copy for your files. The scores are not posted on the student's Home Connect page or saved somewhere that you can access later. (This is a Renaissance decision, not a St. Serra decision.)
