

## Sunday, January 31, 2021 4<sup>th</sup> Grade Weekly Information

### FROM THE TEACHERS:

**Mission Projects due this Friday, February 5th:** This is the final week students will have classroom time to work on their Mission project. Projects and reports are to be completed by Friday, February 5<sup>th</sup>.

**Walk Through California:** The Fourth Grade will experience Walk Through California on February 23 and 24 this year. This is an on-campus event that will take place in the SAC. Each class will have a separate time to experience this wonderful event in a socially distanced atmosphere. Students will receive Expert Word Cards from their Social Studies teacher to memorize prior to the event. Students are encouraged to dress up like a person, place or thing from California history. Please help your student pick something to dress up as that will be easy to make from things you have at home. Students could be a missionary, a gold miner, a farmer, a native American, the Golden Gate Bridge, or anything else from California. More information will be coming home soon about this event! Due to the circumstances this year, parents will not be allowed to observe this event. Please help your student memorize their card and decide on who or what they will dress up as for this memorable Fourth Grade event.
