4th Grade Weekly Information

FROM THE TEACHERS:

Social Studies: Social studies classes will create a California Regions Map in class this week. Students will use different types of seeds to create a 3-dimensional map outlining each of the 4 regions of California. Look for your students' map presentation on SeeSaw next week.

ELA and Religion: ELA and Religion will be studying for and taking the Unit One Tests this week. Please help your students review the following:

- **ELA** - The grammar and reading skills covered in Wonders Unit 1. This includes the 5 weeks of work they completed.
- **Religion** - The concepts covered in Chapters 1-5. Chapter 6 is not on this test but will be covered later in the year. If your student has their quizzes from these chapters, they may use these as a study guide for the test material.

Conferences: Student, Parent, Teacher conferences are coming up October 13 - 15. Your student should come to the conference with you as he or she will lead the conference, taking us through their areas of strength, growth, favorite subjects, and ideas for how they hope to grow during the year.

4th GRADE NEWS & REMINDERS:

Student Pictures: Please see the Sunday News and master calendar for your grade's photo day.

Minimum Day: Wednesday, October 6th is a minimum day.

Happy Birthday: Let us celebrate and greet Mr. Allison a very Happy Birthday on October 4th!

Grace and Blessings,

Christina Redwitz –
