

## Sunday, April 11, 2021 4<sup>th</sup> Grade Weekly Information

### FROM THE TEACHERS:

**Religion:** The fourth grade will begin working on our Saints Project. Each student will pick a saint, research their life, understand why they are a saint, and what they did to have a positive impact on the world. Students will present their saint report to the class at the end of the project. They will have the opportunity to create a poster of their information, dress up as their saint or present in other creative ways. The presentation will be put on SeeSaw for parents to view.

**ELA:** Students will work on their culminating project for the novel *By the Great Horn Spoon*. The students are making a Scrapbook incorporating different writing and artistic activities to represent the adventures of Jack and Praiseworthy on their journey to the Gold Fields of California in 1849. At the end of the project, students will demonstrate and explain what their scrapbook includes on SeeSaw.
