4th GRADE NEWS & REMINDERS:

Student Parent Teacher Conferences:

Our Student Parent Teacher conferences will be held October 28, 29 and 30th. You must sign up for a conference time using the link in the St. Serra Sunday News to reserve your conference time.

In Fourth grade, we utilize a student run conference format. Please make sure your student attends the conference with you. Your student will prepare some material for this conference that will be sent home with them in a packet. Please have this material open and ready for your student's conference. Each teacher will send out a Zoom link prior to the conference day. We look forward to talking with you at the conference.

Grace and Blessings,
