

Welcome to Serra Cause Connect

<https://volunteer.serraschool.org>

❖ User Accounts

An account is required for each **individual** to sign-up for volunteer opportunities. These accounts were created by email accounts on file within FACTS. An email from St. Serra School will be sent out on Monday morning when the accounts are activated within the software. Please note - if both parents have the same email address in FACTS, only one account was created in the software.

- Each individual for whom an account was created will receive the welcome email from St. Serra School via galaxydigital.com; these are not duplicate emails that were sent out.
- **Do not** create accounts directly through the Serra Cause Connect website, as additional information is required to complete the account set-up. Please email tech@serraschool.org and we will create any additional accounts necessary for you (such as grandparent accounts). We will require the Serra family name, user's first name, last name, and email address.
- All volunteers must complete fingerprinting and Safe Environment training prior to signing up for volunteer opportunities. Preschool volunteers must also meet additional requirements. These requirements (referred to as qualifications in the software) are managed by St. Serra staff behind the scenes. **If you have not met the qualifications for volunteering on campus, certain volunteer opportunities may not be visible to you until your clearances are received.**
- Should you have any questions, please contact Diana McCarron at dmccarron@serraschool.org.

❖ Download the Cause Connect Mobile App

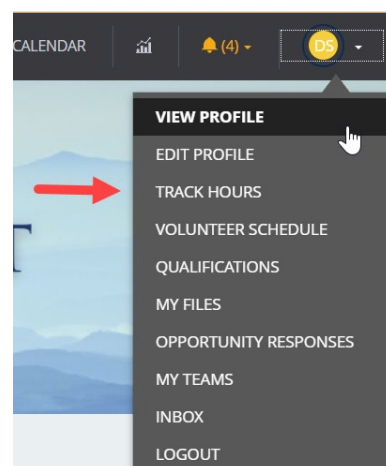

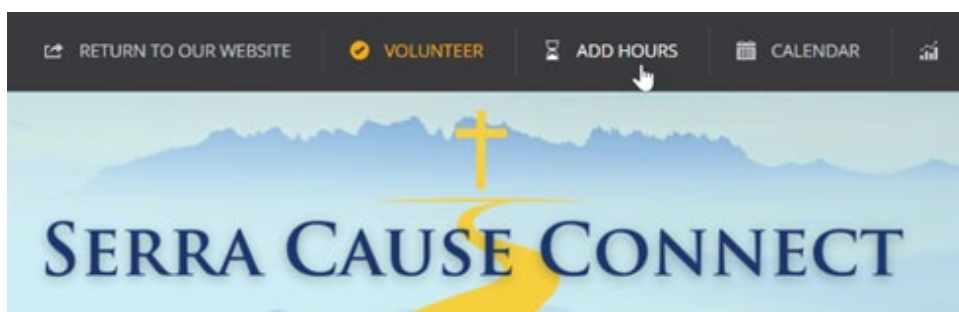

Download and login to the Cause Connect mobile app from the Apple Store or Google Play. This will be your on-the-go connection to the volunteer portal!
