

TACSC Summer Conference 2021

For over 10 years, The Association of Catholic Student Councils (TACSC) has been an important partner to our Catholic schools. The mission of TACSC is simple: To Grow Leaders. Over the past two years, Erin C.O. Barisano, Ed. D., Superintendent of Schools at the Diocese of Orange has had the privilege of serving on the TACSC Board of Directors and continues to be impressed with the energy, passion, and commitment this organization exhibits for our children. They are truly a perfect partner in every sense and remain committed to the mission of forming disciples of Christ.

Dr. Erin Barisano is pleased to share the good news that TACSC will once again be offering their Summer Conference. In response to the needs of our families, TACSC is offering three options for families to consider:

- In-Person Overnight Middle School Summer Conference at LMU
- In-Person Day Summer Conference at LMU
- Leadership LIVE Online Summer Program

Please see the link below. In today's world it is difficult to find summer programs that are aligned with our Catholic faith. In the past, TACSC primarily focused on those students who participated in Student Council. As leaders we know that leadership comes in many forms and every child has leadership potential. TACSC is a great experience for any middle school student in your school.

For those families that need additional financial support, scholarships are available on a first come, first-serve basis.
