

Season's Tuition Assistance Luncheon

Last Sunday, St. Serra hosted our 8th annual Seasons Tuition Assistance Luncheon outdoors on our beautiful campus. We were blessed with tireless parent and student volunteers, great weather and many heartfelt messages about the importance of supporting our Tuition Assistance Program. We were amazed by the creative table hostesses who generously offered their creativity and resources to help bring this event to life. Thank you to all who attended the Luncheon and made it a success! [CLICK HERE](#) to see a video of highlights from the Luncheon.

Please join us in congratulating Dr. Brad Snyder, Associate Superintendent of Educational Programs at the Diocese of Orange, as this year's recipient of the Our Lady of Guadalupe Commitment Award. Dr. Snyder's career has been dedicated to making Catholic education accessible to more students and advocating for the immeasurable positive impact it has on a child's life.

This past year has been full of challenges for families in our St. Serra community and we need your help to ensure our Serra Bears in need are able to continue their Catholic education. Please consider making a gift to support a student [CLICK HERE](#).
