Dear Future Mater Dei Families,

As we head into the joy (and busyness!) the holidays bring, we'd like to remind you of some key admissions dates for Mater Dei.

12/9/22 - Early-Qualification Deadline

Early-Qualification is a conditional Acceptance to Mater Dei High School. The advantages of a student being Early-Qualified is finding out about admission earlier than the general admission period, not being subject to a possible waitlist for our freshman class, and finding out about financial aid (if applicable) at the earliest possibility in February. So let's get those applications completed at www.materdei.org/admissions!

*The following items need to be complete for Early-Qualification.

- **Application Fee of \$75**
- **Application**
- **Parent Letter**
- **Student Letter**
- **Previous two years of grades (applying as a Freshman, we need all of 7th and 8th grade (1st quarter or trimester))**
- **E-Recommendation Form from a current teacher, counselor or principal**

12/9/22 - Financial Aid Deadline

Families applying for financial aid will want to complete their financial aid applications by the 12/9 deadline. Although we continue to accept financial aid applications after the deadline, every application is subject to availability at that point. We also need applications completed by the 12/9 deadline to guarantee families will find out how much financial aid they qualified for (if applicable) on February 22 (Decision Day). For more information, and to complete the Financial Aid application, please [CLICK HERE](#)!

Remember that the Mater Dei Admissions Team is always here to help if you need it. We thank you for taking the time to consider Mater Dei High School for your child!

Thank you and Go Monarchs!
