TRAVEL ADVISORY

Californians should avoid non-essential travel to any part of the state more than 120 miles from your place of residence or to other states or countries. Please see the entire [Travel Advisory](#) for additional information.

Students and families should also follow the CDPH [Travel Advisory](#).

As we look towards a hopeful future, let us continue to lead by example to ensure the health and safety of our school communities. Thank you for your courageous and faith-filled leadership.
