DONORS: 163 | START DATE: MARCH 1 2021

Think tomorrow. Give today.

The installation of our solar panels has begun! Thanks to your generosity we have already raised a total of \$102,460 to our PSA, from over 160 donors! As of right now, we are already one-third of the way to reaching our goal of \$300,000.

We are so grateful for your love and support for the Church and the more you pour into the Church, the more we will give back in the end. So whatever you give, big or small, will impact Solano directly. Thank you for thinking of tomorrow, and giving today.

Here's how you can contribute:
