

## Safe Environment Online Training Renewal

We are finding that a lot of our parents' Safe Environment Training Certificates have expired over this past year, and with us moving towards allowing more volunteers on campus, we need to remedy this as quickly as possible. This is where you can help.

If your Safe Environment Training has expired, you will be receiving an email from Diana McCarron over the next 2-3 weeks with the information required to renew your training. We ask you to please complete the online training in a prompt manner, and to not wait until the summer. With all of the new families coming in and the additional current parents whose training will expire in the next 2-3 months, it is better for us to be able to update our records over a period of time instead of all at once!

The administration and staff of St. Junipero Serra Catholic School would like to thank you for your support of our school with your past and present volunteer hours and look forward to everyone doing what is necessary to stay compliant to continue to volunteer here at St. Serra!

Please contact Diana McCarron at [dmccarron@serraschool.org](mailto:dmccarron@serraschool.org) or her direct line of (949) 546-8702 with any questions or to check the status of your Safe Environment Training. Thank you!
